SUBJECT: Galley Proofs of Chapter IV to the
Capabilities, Programming, and
Budgeting Manual

Herb

The attached "galley proofs" of chapter IV to the Capabilities, Programming, and Budgeting Manual provide reprogramming and reporting requirements for the Intelligence Community. Drafts have been circulated to the departments and agencies involved and this version has been discussed with the Deputy Director of Central Intelligence. Prior to printing these in final, I would appreciate your review to ensure that we have incorporated appropriate guidelines of the Senate. (U)

I will contact you next week before sending these to the printer for publication. (U)
